In consideration of _____, a student of The Greater Dayton School, being permitted to participate in extracurricular activities and/or in off-campus excursions, I, _____, do hereby:

- **Assumption of the Risk:** Acknowledge that participation in extra-curricular activities and off-campus excursions, including travel to and from off-campus locations, may carry certain inherent risks, including but not limited to personal injury, illness or death, accidents and/or property damage or loss which may result from participation in the activity or excursion or from traveling to or from the off-campus excursion, despite the best efforts of The Greater Dayton School to ensure student safety. I agree that my or my student's participation in extra-curricular activities and/or off-campus excursions is voluntary, and I knowingly assume the risks, including other risks not specifically enumerated herein, associated with participation.
- **Waiver:** Release, covenant not to sue, discharge, and hold harmless The Greater Dayton School and their parent company, affiliates, assigns, and employees (collectively, "The School") for any and all claims arising from the negligence of The School which results in the aforementioned risks and/or injuries occurring, and acknowledge that this waiver extends to all harm resulting from the negligence of The School, and not just the risks and injuries enumerated above.

I have read and completely understand the terms of this Assumption of the Risk and Waiver, and understand that I am voluntarily waiving my and/or my student's rights, including but not limited to my and/or my student's right to sue. I acknowledge that I am signing this agreement knowingly, intelligently, and voluntarily, free of coercion, duress, and undue influence.
